

IN LOVING MEMORY

Cesare Volpato

Tom Carlo

Cal Gaeta

Peter Vivonetto

It is with deep sadness that we remember the passing of four of our treasured NIAF members this year and celebrate their lives:

Forever Faithful and steadfast Tom Carlo, who initiated our Special Olympics Bocce Coaching Program; Cesare Volpato, friendly, gentle, loving husband of our own La Befana Siria; Most generous and knowledgeable entrepreneur Cal Gaeta, and our very own kind and caring Foundation tenor Peter Vivonetto. We will always sense his presence when we hear "Non ti scordar di me"

But if you believe, as I do, that heaven begins here, we can be assured that they are reaping the rewards for their good deeds, generosity, courage, and faithfulness to family and friends at The Foundation. Having known these fine gentlemen has gifted our lives.
